<p>Product Description Working with most Liquid/Gel Hand Sanitizer or Liquid Soap, this Alpine Industries Automatic Hands-Free Liquid/Gel Hand Sanitizer/Soap Dispenser is ideal for use in offices, schools, warehouses, food service facilities, manufacturing, hospitals and much more. It's also ADA compliant in force and one-handed operation, making it accessible to people with disabilities. Made with durable ABS plastic construction that is resistant to chemicals, heat and impact, this product is made to provide long-lasting strength and use, ideal for high-traffic areas such as restrooms, kitchens, break rooms and lunchrooms. Top dispensing technology reduces risk of leaking valves. Automatic, hands free operation for improved hand hygiene. Quiet, powerful battery-operated dispenser uses four C batteries (not included) for longer life. High 1200mL capacity dispenser helps reduce maintenance. Equipped with a site window so you can easily monitor the soap level when needed. Dispenser is equipped with lock and key.</p>
